RESPONSE TO NOTICE REGARDING DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is filed in response to the Notice Regarding Drawings mailed March 18, 2004.

We believe no fee is due in connection with this response. If a fee is due, please charge our Deposit Account No. 19-0733.

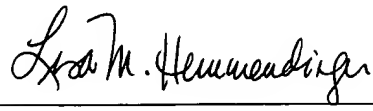

Attached are substitute FIGS. 2-4, which are photomicrographs. FIGS. 2-4 as submitted on January 9, 2004 were objected to as having poor half-tone quality. FIGS. 2-4 as originally filed, however, were not objected to except for the top left margin of FIG. 2. The photomicrographs in substitute FIGS. 2-4 are identical to those originally filed, and the top left margin of FIG. 2 has been corrected.

Applicants' representative discussed this response with drawing reviewer Joshua Chase on May 6, 2004; Mr. Chase indicated that this response would be acceptable.

Respectfully submitted,
BANNER & WITCOFF, LTD.
